## Foreword

WITHIN this Log is recorded the fair and stormy weather, that the crew of the good ship Eastern have encountered during their three year voyage in search of knowledge. Many times the seas have been rough and sailing difficult, nevertheless this jolly crew has survived with their goal at hand. They are now prepared to venture on a more strenuous voyage, better fitted to cope with the many problems facing them during the next three years. Let us wish them a bon voyage with smooth sailing.

## Dedication

WE, the departing crew of the good ship S. S. Eastern, are withdrawing from our present position and traveling further up the coast to a new, and unexplored port, Pontiac Senior High School. There we intend to receive a cargo of knowledge that will aid us to become masters of our own ships in the future. We have spent three years in preparation for this trip and now we are determined to become successful. Our officers, the faculty, have served us in every way possible and have guided us through troubled waters to a sure, safe, landing. So it is to you, our captains that we dedicate this log. Many times we have been discouraged, but it has been you who have encouraged us to try with a stronger will and attain higher goals. We leave the S. S. Eastern feeling grateful to the commanders who have given us a better understanding of the problems of life. It is to you, teachers we pay our highest esteem.

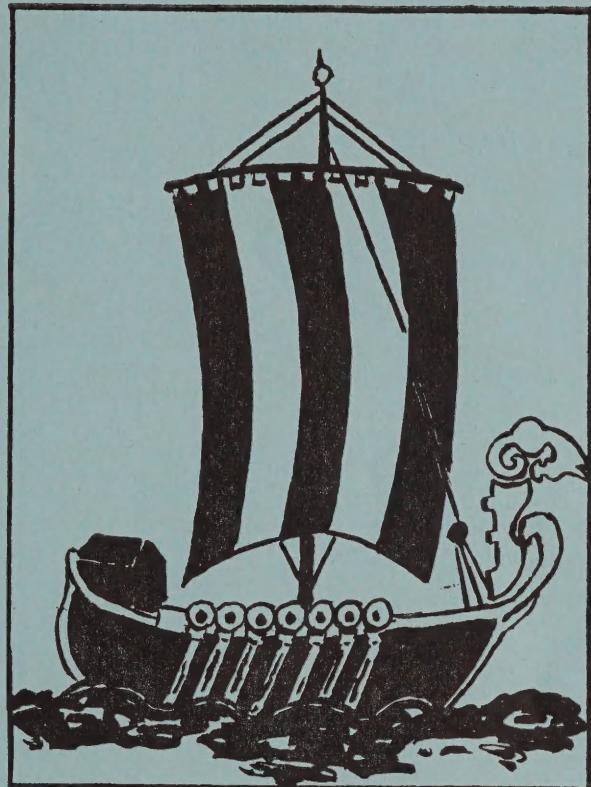

## EASTERN JUNIOR HIGH SCHOOL

### EASTERN'S LOYALTY SONG

Let us raise our song of praise, to Eastern Junior High  
With courage staunch and spirit fine  
The best of all it's kind!  
Here's to teachers tried and true  
And dear comrades, here's to you!  
May we so live to honor give to Eastern Junior High  
Eastern Junior High School, Eastern Junior High  
Ever true to thee we'll be, working day by day  
Loyal to thy colors, the Maroon and Gray  
Rah, rah, rah! Rah, rah, rah! Eastern Junior High!

LORRAINE F. HIRE, Principal

Your captain salutes you and offers his congratulations upon your promotion to senior high school. New and larger seas of learning are now yours to travel. As in the past you may expect rough water and storms, but you now have the advantage of a larger boat and crew. Stay with the ship for the world needs more education not less.

The proper education of the world's young people is far more important than pacts and treaties. If these people are educated to selfishness and greed, to intolerance and hate, all the treaties and agreements in the world cannot keep them from each other's throats.

If the statesmen of the world would give the time and thought and the billions of dollars now spent on preparation for war to the proper education of its young people for a generous, kindly world of peace, the age old dreams of mankind for security and happiness might be realized in a generation.

J. CECIL COX, Asst. Principal

After being aboard the good ship "Eastern" for three years, some will probably be reluctant to disembark when the ship docks.

However, I trust that as you transfer your luggage to the boat at the Huron street wharf you may give your loyalty and support to your new ship as willingly as you have at Eastern.

The officers of your new ship will differ little from those with whom you have been associated during the past three years. In fact their purposes and aims will be almost identical. Only the methods may differ. You will of course be more adult than when you entered Eastern, and as such must expect to take more responsibility.

May I commend you on having been good sailors and my sincere wish be for your continued success.

### THE E. J. H. S. BOUNTY

For three gay years aboard this ship  
We've sailed on an educational trip.

Some have succeeded and some have failed  
But we've kept up our courage and on we've sailed.

Yes, on we've sailed through hardships and woes,  
Among our teachers, friends, and foes.

Working for pride and self-control  
Working to be on the honor roll.

Now we prepare to leave this ship  
We want to say we've enjoyed the trip.

And we thank the faculty for their aid  
In helping us all to make the grade.

OUR SHIP

Our ship—it carries knowledge,  
From every land and sea;  
It is like a mammoth college,  
Advancing, "what is to be."

Some ships carry wisdom,  
Different types of girls;  
Some war tags and guns,  
But ours' carries heroes.

The stars guide us  
Along the shimmering sea;  
So does our compass,  
Tell the course to be.

Many lands; many seas;  
We pass along the way,  
Larger ships; deeper seas;  
But we'll come out in "May".

Our baggage and bundles,  
Stacked to the very top—  
With tales of peace, tales of thunder,  
And with every foreign crop.

There's something very entrancing,  
About our ship on the sea,  
When the stars above are dancing;  
Oh! Does it not appeal to you—  
As it does to me?

**9A-1 LOG**

**I**N September 1935, we the members of 9A-1 walked up the gangplank of the ship "Eastern" and began a voyage of three years. We were directed to the auditorium where we met our captain, Mrs. Hartman, who assigned us to room 214.

As we advanced through the seventh, eighth and ninth leagues of our voyage, our members slowly began the climb to the top and several of them have now reached it with success.

In January 1936, our stateroom was changed to 212, and in the 9B Mrs. Hoffmann became our captain.

We have had six members in the Big Sisters and five in the Hi-Y, nine in the Glee clubs, five in the Globe Trotters, and five in the orchestra.

Those who have neither been absent or tardy during the past three years are: Lucille Haroutunian, Genevieve Meyer, Keith Deyo, Keith Colby, Rosemary Downer and Dorothy Beulock.

Our very sincere wish as we leave the good ship Eastern is that we will enjoy our next venture for knowledge as much as we have enjoyed this one.

**9A-2 LOG**

The first episode of the 9A-2's began on a delightful September morning in 1935 when we went aboard the S. S. Eastern.

For our three year journey we were assigned to cabin 118, the mate being Miss Florence Schuster. Of that original group only twenty five members stand by as the destination is reached. During the voyage we picked up citizens from Iowa, Texas, Missouri, Minnesota, and West Virginia; as well as from our own Pontiac, Detroit, Jackson, and Brighton, Michigan.

So that we would be better prepared to assume responsibility, we were al-

lowed a certain amount of self government. We chose for our presidents; Larry Saxton in 7B; Hugh Pruett in 8B; Donna Crantas in 7A and 9B; Maxine Legg in 8A; and Molly Grisciotti in the 9A.

In the 8B we, together with Miss Bakers' group, presented a Thanksgiving Pageant, "The Pilgrim's Pride".

During 8A we decided upon a newspaper which appeared regularly every month. Congratulations to Maxine Legg, editor, who kept the staff working.

Geraldine Diehl in 8A won the spelling bee at Eastern and then represented the district at the Detroit News Metropolitan and National Spelling Bee in the Coliseum at the Michigan State Fair Grounds, Detroit.

Regardless of weather conditions or other difficulties Phyllis Koenig, Betty Forsyth and Geraldine Diehl reported on duty promptly every day of the journey.

We are doubly proud of Betty Forsyth, who was elected president of the Big Sisters. Others from our room are Maxine Legg, and Bernadette Chircop; while Donald Stein, Larry Saxton, and Arthur Kohn became members of Hi-Y.

Elsie Perkins, editor of the Arrow, has had an opportunity to fulfill her ambition which is to become a newspaper woman.

As we leave the good ship Eastern we hope other people who take that same journey will follow our motto, "Eastern Leads the Way".

**9A-3 LOG**

In September 1935, the good ship S. S. Eastern began to take on 7B-3 passengers. Pupils assigned to our group boarded the ship at the Bagley, Baldwin, Longfellow, Central, Wilson, Mc-

Connell, Whittier, Willis and McCarroll schools. Truly, we represented all sections of the City of Pontiac. During the three year cruise fourteen passengers boarded the boat from other parts of the State.

At the beginning of our voyage, the ship was so large and we were so young that we had difficulty acquiring our "sea-legs". However, by the end of the first week we knew our way around the various decks. We no longer became lost when trying to get to the cafeteria, auditorium and the ship's gymnasium.

During the second week on board we enjoyed our first assembly, which was put on by the ninth grade. Since that time we have taken part and enjoyed many assemblies produced by various groups on the ship. On one of these occasions we received our biggest thrill; that was the first time we saw ourselves in Captain Hire's movies.

We have had many officers to help guide us on our cruise. Allen Greenlee was our president in 7B and Joy Hershberger in 7A. It was at this time that we participated in the May Festival. We operated a popcorn stand. Do you recall the rushing business we had? J. C. McAllister was our president in 8B; and since that time, by popular request, Billy O'Neal has served in that capacity. Under his guidance our Christmas parties were a great success.

"Into all lives, some rain must fall.  
Some days must be dark and  
dreary."

And so to us as 9B's came a great sorrow. Phyllis Sparks, a well loved member of our group was taken from us by death. Most sincerely we regretted her passing.

9A-3 is pleased to record the fact that it has ten members in the Girls' Glee club. Also, the Hi-Y claims two of our boys; and the Big Sisters has one of our girls in its membership. To the band and orchestra we have given six members and to the Boy's Glee Club one. We are proud of our wearers of the Silver and Gold 'E', knowing that they will wear them with honor to themselves and to our good ship Eastern.

We are sorry to come to port from our three years cruise, but we hear a more exciting world cruiser, the Good Ship S. S. Pontiac High calling us and we must answer the summons. So, 9A-3's send to all other passengers aboard the S. S. Eastern our farewell radiogram wishing you all "Happy Voyaging".

## 9A-4 LOG

In September 1935 we set sail aboard the good ship Eastern on a three year cruise. Our party numbered forty-six with Mrs. Garrison acting as conductor.

Margie Yuetten was chosen as First Mate Margie and Leland Furse, Dickie Johnston, Merne LaFave, and Leo Erownell left our ship during the voyage to join another company. In their place we received Mary Kloss from the state of Washington, Shirley Vyse from Cass City, Michigan, Shirley Edwards from Walled Lake, Maxine Wharff from Wick, Iowa, and Bill Warner from Berkley, Michigan. Those who have reported on board for duty each day during the three years have been Vahrig Andonian, James Mortenson, and Paul Way.

Many members of the crew have given outstanding service. Mary Kloss, Mona McSwain, Dottie Marsh, and

Shirley Crisman have served as Big Sisters while Norman Legge, Vincent Pentiuk and Conrad Lisek have been members of the Hi-Y. Shirley Crisman, Mary Kloss, Irene Pickering, Grover Schatz, Norman Legge, Conrad Lisek and Vincent Pentiuk have been the ship's Glee Club members.

Many interesting side trips have been taken by James Mortenson, Dottie Marsh, Mary Louise Wiggins, Norma Barker, and Irene Pickering, who early in the voyage joined the Globe Trotter's club.

In May our ship docks and the crew receives a three months shore leave. In September we hope to see all of our members aboard the "Good Ship Pontiac High" to sail forth on another three year cruise.

**9A-5 LOG**

In September of 1935, we the 9A-5 crew, came aboard the good ship, "Eastern".

Mr. Walls was our fine captain during the first half-year cruise on the great sea of knowledge. His courageous assistant was June Medlen. We enjoyed Halloween and Christmas festivities on our second deck in Cabin 208.

On the next voyage of one and a half years, we had Miss Scott as our leader and captain. The standing officers, Harold Rouse, Ruth Yuetten and Lutie Knoche, assisted in keeping a fine spirit among our shipmates, in rollicking deck parties. The celebrated crew gave a shimmering display of their talent in our assembly.

Many foaming and sparkling visions have appeared in our trip on the sea of knowledge, but our third year of seafaring has been most exciting and

adventureous. We again stopped our cruising and displayed our crew in a shore festivity for visitors and shipmates aboard. Our guiding captain was Mrs. Kindly who has steered our ship right into a new port where, when we become acquainted, we will climb aboard the bigger and wider boat, "Pontiac High School." Our captain's faithful shipmen who have worked as head officers are Lorraine Colbeth and Robert Lasho.

"We have gained many terms and likings towards unknown and unstudied lands, but till we pass each of their harbors once more, 'Light our ship, like the lights on shore'."

**9A-6 LOG**

In September of 1935 we 9A-6's walked up the gang plank of the good ship S. S. Eastern for the first time. We marched into the auditorium and heard our names read by Miss Baker. Our residence then became room 301.

Our presidents during our three year voyage have been:

7-B—Ruth Mills; 7A—Wanda Cook; 8B—Billy Winkley; 8A—Frederick Jackson; 9B—Ruth Mills; and 9A—Ruth Mills.

We spent the 7B in getting acquainted with our captains and fellow passengers. Ruth Mills and Arlene Baldwin were on the 7B assembly.

In the 7A our boys started the ball rolling by winning the 7th grade basketball championship.

During the 8B we gave an assembly with Miss Schuster's Homeroom, the 9A-2's. We also gave a Thanksgiving basket to a needy family and sent clothing to the flood sufferers.

A potluck supper was enjoyed on deck in the 8A. Jean Kratt, one of our best scholars, left us in this semester.

## 9A-6 LOG

(Continued from Page 21)

We returned to our work in the fall as 9B's and found that we would no longer reside in 201, but room 301. Jack Kaiser returned to the S. S. Eastern after a year cruise on the S. S. Lincoln, and was assigned to our homeroom. Our homeroom boys again brought honor to us by winning the 9th grade touchtackle championship. George Felice, representing the team, received a beautiful maroon and gray football from Mr. Allison. This now is displayed in the S. S. Eastern's Trophy Case. During the 9B, two of our girls were voted into the Big Sisters and

With the 9A came the basketball season and Jack Kaiser made Eastern's Basketball Team. (Our boys also won the 9th grade basketball championship). three of our boys joined the Hi-Y.

Billy Winkley and Mildred Johnson represent us in the Glee clubs. Arlene Baldwin, Wanda Cook, Betty Harper, and Leone Perry are in the Big Sisters, while Norman Andress, Bob Burnworth, George Heenan, Gordon Seaton and Hector Serra are in the Hi-Y. Ruth Mills and Wanda Cook have perfect records of punctuality and attendance. Three of our girls—Arlene Baldwin, Wanda Cook and Ruth Mills—have made the honor roll every time.

We have enjoyed our three years on the S. S. Eastern and hope we shall enjoy our three years at our new port, the S. S. Pontiac High as well as we have these. Thank you, captains for the wonderful help you have given us. We hope some day to be able to repay you for this kindness.

### A Gentle Hint

Visitor: "And at what time do you have dinner, my little friend?"

Terrible Boy: "Soon as you've gone!"

## 9A-7 LOG

Steaming into port, the good ship S. S. Eastern picked up in September 1935 the 7B-7's and directed us to the third deck to the stateroom 300. Here Miss Scott was in charge. Overcoming timidity on this strange ship, we soon managed to find our way around the various decks. Soon six students were listed on the Ship's Honor Roll, and since then the number has been gradually increased.

With Mr. Wall's leaving and Miss Scott assigned to his former duties, Miss Bajari took charge of our group. We glided smoothly along under the direction of four presidents: Orland Winslow, June Measell, Adolph Aperauch, and Betty Beach. We are proud of two first class passengers, Thelma Rice and Ruth Goodman who represented us in the spelling bee, while Ruth won the trophy. Last year we produced a winner of the Yo-Yo Contest in Eugene Dennis. Our stateroom has Silas Parnett and Eugene Duffy in the Hi-Y, and June Measell and Ruth Goodman are Big Sisters.

We sincerely regret the early closing of the sailing season for we needed more navigation instructions. Now Oh Easterners! Here's hoping that you will all land at as many busy, happy ports as we have in the past and have fair weather sailing with spread, full canvas.

### Guaranteed

Sailsman: "Madam, this fire extinguisher is guaranteed to give you service for fifty years."

Elderly Lady: "But I shan't be here all that time."

Sailsman (misunderstanding her meaning): "Oh, but you can take it with you when you go!"

## Appreciation

The Staff and its adviser wishes to take this space in expressing their appreciation to all those who have made this book possible.

We are grateful to the homeroom teachers who have had the task of collecting the necessary funds to pay for this book.

We wish to extend our thanks to Miss Bajari and the Art Department for the fine drawings and suggestions.

The 9A Homeroom committees who have written up these pages deserve much praise for the quality of the work done.

To Mr. Sturdy for his whole-hearted interest and support, we express our thanks.

Your adviser thanks the boys and girls who have put in many extra hours in the print shop. They have been a great help in formulating the pages, press-work, assembling and binding the book. Without the co-operation of all these people this book would not have been possible.

### Needed Only One

A Scotchman upon entering a saddler's asked for a single spur.

"What use is one spur?" asked the man.

"Well," replied Sandy, "If I can get one side of the horse to go, the other side will have to come with it."

### When He'd Expected 100

Mother: "Why were you kept in after school today, Junior?"

Junior: "The teacher told us to write an essay on "The Results of Laziness" and I turned in a blank sheet of paper."

### Obeying Instructions

Teacher (to a tardy student): "Why were you late?"

George: "Well, a sign—"

Teacher: "What has the sign got to do with it?"

George: "The sign read, "School ahead, go slow."

### In Anticipation

Mother: "Why are you beating Willy like that?"

Willy's father: "You see tomorrow afternoon he will bring home his school report and I have to go away before breakfast in the morning."

### No Doubt In His Mind

"William," asked the teacher, "What is the plural of man?"

"Men," announced Willie.

"And the plural of child?"

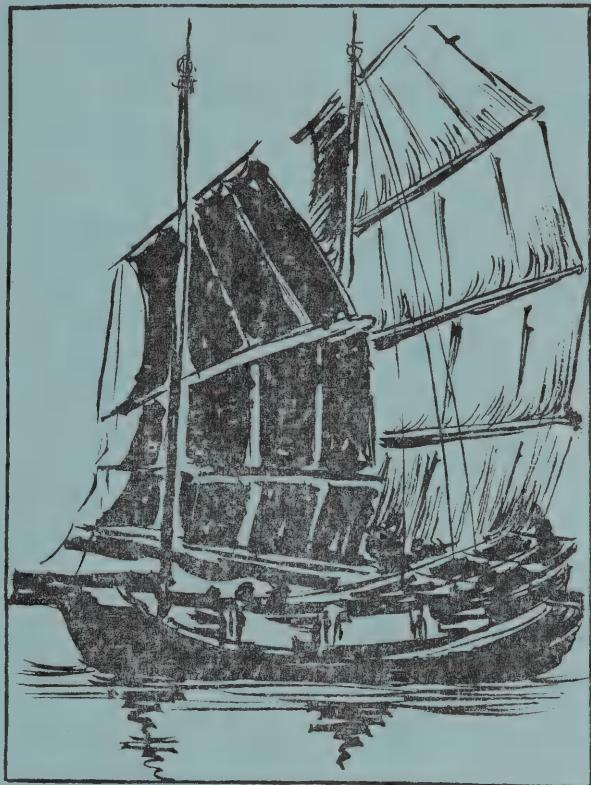

"Twins!" was the prompt reply.

### Breaking It Gently

Youth: "Dad, you remember telling me how you were expelled from school?"

Father: "Yes, but it's ancient history now."

Youth: "It's funny how history repeats itself, isn't it?"

# FEATURES

### The Race of The Sasparila

One nice windy day, out to sea  
Went two fast ships; for a race there was to be.  
Which would win, one could hardly say;  
For tomorrow was going to be a stormy day.

When night came both ships were abreast,  
And the Captain told his men to do their very best.  
Then thunder they soon began to hear;  
An awful storm would come, they began to fear.

Then the lightning began to flash,  
And over the deck the waves began to dash.  
The helmsman had to be tied to the wheel,  
So he could keep the boat on an even keel.

Hours later most of the stormy weather past;  
They did their level best to make that boat go fast.  
Days later, swiftly into port they came;  
The Sasparila had won its way to fame.

I LOVE THE SEA

Oh, I love the sea—the beautiful sea,  
Where the ships go sailing by.  
And every day I go down there,  
To watch the waves lash high.

Sometimes I dream I'm sailing,  
Across the deep blue sea.  
Across to the land far away,  
That's where I'd like to be.

## A Bargain

Little Willie was suffering from a severe cold and his mother gave him a bottle of cough mixture to take while he was at school. On his return home she asked him if he had taken his medicine regularly.

"Oh, no," replied Willie. "But Jimmie Wiggins did. He liked it so I swapped it for a handful of Peanuts."

## Johnny Knows

Johnny: "Father, how do you spell 'high'?"

Father: "H-i-g-h. Why do you want to know?"

Johnny: "Cause I'm writing a composition on the 'high ena.'"

## Deadline

The student reporter had just submitted his editorial for the day to the editor. Leaving the editorial room, he began to reflect upon what he had written and decided to go back to change something in it.

"I have a few corrections to make on the editorial that I submitted," he told the editor. The editor reached into the waste basket and pulled out the editorial.

"All right, but make it snappy—the waste baskets will be emptied in five minutes."

## The Difference

Strolling through fields of clover with his sweetheart, he spied a bull rushing straight toward them. Quick as a flash he beat a hasty retreat.

"Why, Johnnie, you were afraid," she plaintively, accused when they finally reached safety, "and you said you would face death for me."

"I know I said that," John replied, "but that bull was not dead."

## Wrong Word For It

"Are you really content to spend your life walking the country begging?" asked the old lady severely.

"No, lady, I ain't," answered the hobo. "Many's the time I wished I had a car."

## Unfortunate Fellow

Little Rollo was looking at a picture of the martyrs being thrown to the lions. His aunt was telling him all about it in a very solemn effort to impress him with the terror and horror of it all.

"Oh, Auntie!" little Rollo was heard to exclaim, "just look at that poor little lion, 'way behind the others—he won't get any!"

### GLOBE TROTTERS

The Globe Trotters Club was organized in 1933 by a group of fourteen girls and boys who were desirous of becoming better acquainted with the various peoples of the earth, their costumes, their customs and why they are as they are.

It has been a most interesting experience. Each year we have increased our membership until now our enrollment is thirty-six, including girls and boys from the eighth and ninth grades.

Our field trips have increased in number from three the second year to eight this year.

Our trips this year have been:

1. Windsor, going via the bridge and returning through the tunnel.
2. The Ferry Seed Farm, bringing home many gourds.
3. Eller's Dairy Farm, north of Oxford a most interesting trip.
4. Monroe—going through the paper mills.
5. Detroit,—to visit the ten rooms furnished in foreign style, at Hudson's.
6. Waites—to watch the Venetian Glass Blowers.

We are scheduled for two more trips: Greenfield Village and Cranbrook Institute of Science.

There is another bee in our bonnets but enough of that for now.

We have given one Assembly each year; the one given in February was "International Flowers."

Another activity has been a tea each year for the Faculty.

Each month this year we have studied a different country making booklets depicting life there and writing a short paper describing a certain phase of their life.

Some of the countries and topics studied were:

- October—Indians of America
- November—Industries
- December—Christmas in Many Lands
- January—Hawaii
- February—International Relations
- March—Holland
- April—Mexico
- May—Alaska and Hobbies

Our Year Book for 1938-39 is now in the making and we have chosen "Exploring Geography" as our text, making a study of one unit each month and allowing time for projects for individual members or groups.

Globe Trotters travel all over the earth,  
Forever hunting new places and nooks,  
We try to prove what geography's worth  
By traveling through geography books.

We always aim for success by endeavor  
We'll not give up until we are through.  
We'll keep on trying and gaining forever  
Till we've proved what Glob Trotters can do.

### THE BIG SISTERS' CLUB

The Big Sisters' Club was reorganized last semester under the direction of Miss Pearl Hollister of room 112. Our membership totaled thirty-five in number. They were chosen by the vote of the faculty.

We have greatly enjoyed our meetings, held each Wednesday after school, and our other activities.

One of our most outstanding social affairs was the banquet given in honor of our members in the January class of 9A's and for the new members invited to join us. This was held at the close of the semester with Mrs. Edna Forman as our guest speaker.

On March 31, we presented an all girl assembly, the highlights of which was Miss Hallenbeck's talk on "Rainbows". This was followed by a tea and musical program given in the library on April 27 in honor of our mothers.

We have endeavored to be of service to the 7B's by having a small group of 7B girls assigned to each Big Sister. These 7B girls come to us for help and advice concerning the many problems which confronts a new student.

We are grateful for the kindly assistance given us by the teachers while we have tried to help "Eastern Lead the Way."

We the 9A's who are leaving feel that our many worthwhile services cheerfully and willingly rendered have benefited us greatly as well as our school.

### THE HI-Y CLUB

The purpose of the Hi-Y Club is to create, maintain, and extend throughout the school and community, high standards of Christian character.

The Hi-Y also has a slogan—the four C's which stand for 1. Clean speech; 2. Clean living; 3. clean athletics; 4. Clean scholarship.

The Hi-Y has taken a part in several activities at Eastern this year.

### THE GIRLS' GLEE CLUB

The Girls' Glee Club under the supervision of Miss Hawley was very active this semester. We first sang at the Central School P.T.A. We were also invited to sing at a tea at the home of Mrs. Crisman on Shirley Street. We presented a program at the Wilson Avenue Methodist church. We gave an assembly presenting various types of music. There was a Hawaiian scene made up of Alta Haydell, Dorothea Warrilow, and Ilene Bredow, who played "Blue Hawaii" on their guitars. They were accompanied by a sextette and the Glee club.

Wenona Dewey gave a delightful solo, "Believe Me in All Those Endearing Young Charms." Bernadette Chircop sang "Alice Blue Gown," the Glee club accompanied her. Dorothea Warrilow sang a classical number entitled "The Lass With the Delicate Air" which was well received by all.

The Glee Club had fifty-four members many of which are being promoted to the Senior High School this semester. We expect many will try out for the High School chorus and will succeed.

THE 9A SIX VOYAGE

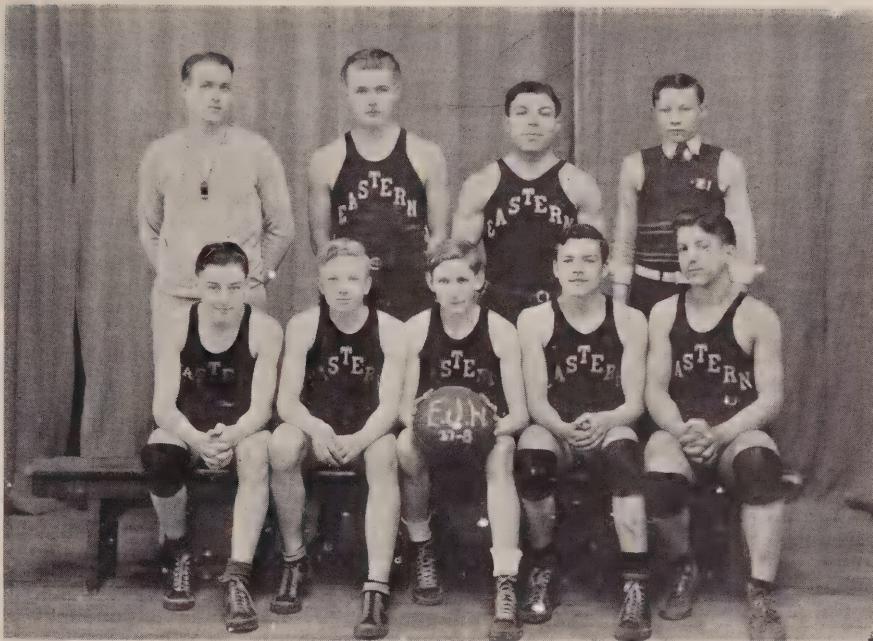

We sailors have read of fine ships at sea,  
Knowing not in the least what that life would be,  
We have often wished for a trip on the blue,  
Realizing not as our school tasks we do  
That we help Eastern's ship on her busy way,  
And also by our efforts help Her "lead the way"

In September, 1935, we all stepped aboard,  
Each given instructions and assigned to his word.  
In the Baker Cabin we settled with joy,  
Thinking life would be gladness for each girl and boy.  
We soon found the duties for us were not so few,  
That to honor and justice we had to be true.

On this three year voyage we've had both work and  
pleasure—  
Times we wish to forget, and those that we treasure.  
As we leave good ship Eastern,  
Other journeys to take,  
We resolve to make good  
And be true for Her sake.

### BOYS' ATHLETICS

The teams in the seventh grade basketball playoffs were: 7B—Donley, Hollister and Gondas. 7A—Hawley, Hobart, Albert and Sturr. The winning team was Hawley's, who won eleven out of thirteen games. The team includes Velus Benson, captain, Kenneth Mills, Jack Bird, Donald Overbaugh, Mike Zarzorian and Charles Futrell.

In the eighth grade the following teams played for the lead: Brown, Roush, Young and Shaw. The champion was Brown. The players on this team were: Herbert Rowe, captain, Bill Burnett, Merl Barger, Abe Afagian and Walter Delmarter.

The four teams in the playoffs in the ninth grade were Isgrigg, Windiate, Sturdy and Baker. Isgrigg was first and the following boys were on her team: Walter Pointer, captain, Maline Ball, Charles Morse, Hubert Schafer and Mitchell Rampert.

## Girls' Athletics

### GIRLS' SPORTS

The girls' gym classes, under the direction of Miss Wyman, were very active during the fall with different rhythm classes, and various kickball teams. The girls had a tournament in kickball, which was won by the 8A-class. The 9th grade sections had an all-star kickball team which competed at various times. The 9B's won this set.

The activities of the winter months included squads in each gym class, which consisted of (1) basketball, (2) jump rope, (3) mats, (4) spot ball, (5) paddle tennis, (6) baseball target, (7) bowling, (8) schuffle board.

The eighth grades had volleyball. The seventh grades played "hit pin ball".

Basketball was enthusiastically enjoyed by the ninth grades. The first hour class were the "all-star" winners.

Spring activities included baseball, tennis, track and recreational activities. There are forty-two teams competing in a baseball tournament.

An assembly was put on April 8th, including rhythm work from all the classes. Approximately three hundred girls took part in this assembly.

### THE LEADER'S CLUB

The Leader's Club under the sponsorship of Miss Wyman has enjoyed many pleasant activities this semester.

An assembly was given with the aid of the girls gym classes.

Two baseball teams were organized with Betty Forsyth and Shirley Mahar acting as captains. The winning team will be treated by the losing team.

The Leader's Club girls have acted as ushers for the assemblies and wish to thank the Hi-Y boys for acting as special ushers when the gym assembly was given.

Special awards are being given for honors won in scholarship and citizenship.

The club hopes to enjoy a picnic at the end of the semester.

## BOYS' GLEE CLUB

The Boys' Glee Club finishes a happy and, we think, successful year. Under the leadership of our officers, Eugene Duffy, Larry Saxton, Silas Barnett, Hector Serra, we have provided two school assemblies, besides appearing before various P.T.A. meetings and church social evenings of the city, the Pontiac P.T.A. Council dinner, and the Oakland County Federation of Women's Club Annual Luncheon. We were honored with an invitation for the third successive year, to appear before our Pontiac Civic Lecture course and were thus privileged to hear the world-famous traveler, Carveth Wells. For the first time in our history we took over an entire church service providing organ, violin, and vocal music for Vespers at First Congregational Church.

We have studied oratorial and opera music, great art songs of famous composers, folk songs of many countries, all in four part harmony, and we have also enjoyed a number of nonsense songs which seem also to have pleased our audiences. With a membership of 56, at least three-fourths of our members have appeared in public in solo, duet, or trios and have thus gained confidence and poise. All in all, we boast of service to our school and community, valuable lessons in loyalty, co-operation, and dependability and plenty of fun for ourselves.

## JUNIOR GIRLS' GLEE CLUB

The Junior Girls' Glee Club under the direction of Miss Hester Hartsell was organized last September and has been very active since. Their uniforms are maroon sweaters, and grey skirts and hose, the school colors of Eastern Junior. The Junior girls are very proud of their club and an orchid to our splendid director Miss Hartsell. The following officers helped in organizing the club: Wilma Morrell, president; Lila Clark, vice president; Maxine Gilmore, secretary; Betty Kruscha, corresponding secretary, and Patricia Eddy, historian.

The Junior Girls' Glee Club have sung at the following schools: Eastern Junior Christmas assembly—December 21st; Eastern Junior P. T. A.—February 3rd; Weaver School—February 17th; Sarah McCarroll—March 17th; Daniel Whitfield—April 13th and have accepted an invitation to sing at Eastern Junior assembly May 5th and 6th.

"Eastern leads the way" is our motto always.

## JUNIOR BOYS' GLEE CLUB

The Junior Boys' Glee Club is composed entirely of 7B boys. Every member has worked fairly well, and some of the boys have shown excellent interest. They have learned to sing independently in three-part work; four of the boys have learned this art so well that they sing a quartette now and then. Barbara Wilson, a 7A pupil is their accompanist, and has served the group with credit.

Miss Baker is their director.

"Say, parson," said the young fellow, "I came here to see about getting married, but if it's going to be as much work as all that, you can count me out right now."
